

IFLOSS COALITION: A Coalition of Communities Working Together to Improve Oral Health in Illinois

STATEWIDE ORAL HEALTH CONFERENCE

September 7 & 8, 2017

Bloomington-Normal, Illinois

CALL FOR ABSTRACTS

Please submit an abstract for consideration at the oral health conference, which in 2017 is being held in Bloomington-Normal. Complete the following form and submit it by Lisa@ifloss.org or using the online submission at www.ifloss.org. **Submissions must be received by April 30, 2017**

Thank you for your participation. Any questions, call Lisa at 217-321-2616.

Conference Planning Committee

\$ **Potential Presentation Areas**

Suggested topics include (but are not limited to): partnerships to improve oral health, oral cancer, special population concerns, caries risk assessment and management, healthy families, access to health care and prevention, disease surveillance, community-based clinics, community successes, tobacco, pre-term low birth weight, nutrition/sugar sweetened beverages, fluoride/fluoridation, sealants/sealant programs, oral health education, policy development, and marketing.

The scope of proposed topics should fit at least one of the following Session Tracks:

- **Clinical:** Intended audience includes dentists, hygienists, dental assistants and other oral health providers. Additional health care professionals are invited and include nurses, Head Start providers or other professionals interested in oral health integration into other health areas.
- **Administrative:** Intended audience includes clinic administrators; dental directors at public health clinics, FQHCs and other community-based clinics; extramural education program directors; and others working with clinical or program administrative responsibilities.
- **Community Health:** Intended audience includes public health administrators, policy makers, clinic staff, dental directors, head start providers, WIC staff, educators, and others working to improve oral health in the community or at the community level.
- **Education:** Intended audience includes those interested in updates on educational institutions in the state, as well as those interested in educational methods and oral health literacy.

\$ **Criteria for Presentations**

Titles should be 15 words or less. Two learning objectives must be included

\$ **Acceptance**

You will be notified of acceptance by the end of May 2017. IFLOSS reserves the right to combine sessions and edit description for promotional purposes.

\$ **If Accepted**

Presenters must register if they plan to attend the entire meeting. There will be a 15% discount given to presenters.
